

God is on the Move

What is He doing here, that is, in and through the Vineyard Church of Knox County?

People Are Thirsty

"They are hungry for an experience of His loving presence; they are praying for genuine spiritual life and vitality. They are asking for an outpouring of His presence to ignite them with renewed passion" (Wardle, 214).

John 4:7-14

Living Water is from God

Living Water is a Gift

Isaiah 41:17-20; 44:3; 48:21

"Most Christians do not feel that they have been called to a deep, inward relationship to their Lord. But we have all been called to the depths of Christ just as surely as we have been called to salvation."

Living Water Through Us

John 7:37-39

Admit

Come and be filled

Overflow

"He's [Jesus] saying that all who believe in him would become a source of life. Through their life and work and witness, God would irrigate the dry and barren world all around."

"On That Day"

Zechariah 14:8
