Instructions: Set aside at least 15 minutes for the devotion, and invite God to transform you as you use these scriptures and questions to position yourself for transformation.

“INVITING JESUS TO RE-CREATE US”

SCRIPTURE            John 5:1-9

INTERACTIVE EXERCISE: SANCTIFIED IMAGINATION

1. Take 15 minutes to put yourself in this story through your imagination. Read the story 2-3 times then close your eyes and let your imagination put you in the place of the lame man. What are you feeling, seeing, hearing?
2. Now imagine Jesus coming up to you and asking, “Do you want to get well?” What’s your answer? Interact with Jesus following the conversation as far as God wants to take it.
3. End by thanking Jesus for his compassion and kindness toward you.
